FORWARD-LOOKING STATEMENTS

Statements in this presentation about future expectations, plans, and prospects, as well as any other statements regarding matters that are not historical facts, may constitute 'forward-looking statements.' The words 'anticipate,' 'believe,' 'continue,' 'could,' 'estimate,' 'expect,' 'intend,' 'may,' 'plan,' 'potential,' 'predict,' 'project,' 'should,' 'target,' 'will,' 'would' and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Investors should read the risk factors set forth in our Form 10-Q for the quarter ended September 30, 2023, and in our registration statement on Form S-1 and other periodic reports filed with the Securities and Exchange Commission. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors, including the uncertainties related to market conditions. Any forward-looking statements contained in this presentation speak only as of the date hereof, and Syra Health specifically disclaims any obligation to update any forward-looking statement, whether as a result of new information, future events, or otherwise.

SYRA HEALTH

- ✔ Syra Health provides innovative services and technology solutions to address some of healthcare's biggest challenges.
 - ✔ Our solutions are centered on prevention, improved access, and affordable care.
- Syra Health specializes in high-margin revenue areas such as behavioral and mental health, digital health, and population health while maintaining consistent revenues within the well-established healthcare workforce market.
- ✔

OUR BUSINESS UNITS

- ✔ Behavioral and Mental Health
- ✔ Digital Health
- ✔ Population Health
- ✔ Healthcare Workforce
- ✔ Health Education
- ✔ Government Solutions

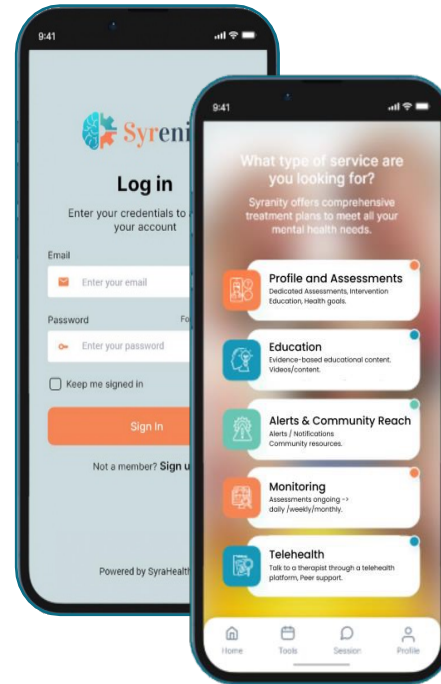

We sell our solutions across all business units to federal, state, and local governments.

Nasdaq: SYRA

BEHAVIORAL & MENTAL HEALTH

- ✔  Syrenity is focused on the prevention of mental and behavioral health concerns
- ✔  With its evidence-based approach, Syrenity includes an AI-backed diary
- ✔  When needed, Syrenity provides 24/7 access to licensed therapists via telehealth
